

Differential temporal and spatial distribution of adult loggerhead sea turtles from gulf of Cadiz to western Mediterranean Sea

J. C. BÁEZ, D. MACÍAS, J. J. BELLIDO, J. A. CAMIÑAS - 1-5 - [Abstract](#) - [rokdownload menuitem="845" downloaditem="729" direct_download="true"]PDF[/rokdownload]

The diet of the Egyptian vulture (*Neophron percnopterus*) in Sicily: temporal variation and conservation implications

M. DI VITTORIO, P. LÓPEZ-LÓPEZ, G. CORTONE, L. LUISELLI - 7-14 - [Abstract](#) - [rokdownload menuitem="875" downloaditem="730" direct_download="true"]PDF[/rokdownload]

Aspects of life history of *Artemia salina* (Crustacea, Branchiopoda) from Algeria reared in different conditions of salinity

M. AMAROUAYACHE, M. H. KARA - 15-20 - [Abstract](#) - [rokdownload menuitem="848" downloaditem="731" direct_download="true"]PDF[/rokdownload]

Compared diet of two pelagic shark species in the northeastern Atlantic Ocean

S. BITON-PORSMOQUER, D. BANARU, C. F. BOUDOURESQUE, I. DEKEYSER, P. BEAREZ, R. MIGUEZ-LOZANO -21-25 - [Abstract](#) - [rokdownload menuitem="849" downloaditem="728" direct_download="true"]PDF[/rokdownload]

Uncovering hidden biodiversity in the Cryptophyta: clone library studies at the Helgoland time series site in the southern German bight identifies the cryptophycean clade potentially responsible for the majority of its genetic diversity during the spring bloom

L. K. MEDLIN, K. PIWOSZ, K. METFIES- 27-32 - [Abstract](#) - [rokdownload menuitem="850" downloaditem="732" direct_download="true"]PDF[/rokdownload]

Terrestrial isopod diversity along three transects at the lagoon complex of Ichkeul (Tunisia) in relation to environmental conditions

H. KHEMAISSIA, R. JELASSI, C. SOUTY-GROSSET, K. NASRI-AMMAR - 33-42 - [Abstract](#) - [rokdownload menuitem="851" downloaditem="733" direct_download="true"]PDF[/rokdownload]
