***Truncatoflabellum madrasensis* sp. nov. – a new coral species from India: a checklist of species under genus *Truncatoflabellum* from the Indian Ocean**

Y. TENJING, S. P. KRISHNAN, V. DEEPAK SAMUEL, R. PURVAJA - [Abstract](#) - [rokdownload menuitem="949" downloaditem="883" direct_download="true"]PDF[/rokdownload]

The distribution and systematic status of cichlid fishes (Teleostei, Cichliformes: Cichlidae) from Morocco

H. LOUIZI, J.-F. AGNESE, A. R. BITJA NYOM, I. DE BURON, O. BERRADA RKHAMI, A. BENHOUSSA, A. QNINBA, A. PARISELLE - [Abstract](#) - [rokdownload menuitem="950" downloaditem="884" direct_download="true"]PDF[/rokdownload]

Reproductive characteristics of the anemonefishes *Amphiprion ocellaris* and *A. perideraion* in east coast of Peninsula Malaysia, Malaysia

I. V. TAN, T. ARAI - [Abstract](#) - [rokdownload menuitem="951" downloaditem="881" direct_download="false"]PDF[/rokdownload]

Internal waves in the Bay of La Paz, southern Gulf of California, Mexico

E. CORIA-MONTER, D. A. SALAS DE LEÓN, M. A. MONREAL-GÓMEZ, E. DURÁN-CAMPOS - [Abstract](#) - [rokdownload menuitem="952" downloaditem="885" direct_download="true"]PDF[/rokdownload]

***Porcellio laevis* (Crustacea, Isopoda) from soil detritivore to vegetable crop pest: case study of the melon (*Cucumis melo* L: Cucurbitaceae)**

T. AMARI , W. ZAABAR , N. SEMMAR , C. SOUTY -GROSSET , M. S. ACHOURI - [Abstract](#) - [rokdownload menuitem="953" downloaditem="886" direct_download="true"]PDF[/rokdownload]

Biometric and diet of the European starling (*Sturnus vulgaris*) in its arid wintering areas of North Africa

L. BADA, A. SI BACHIR, C. GHAZI - [Abstract](#) - [rokdownload menuitem="954" downloaditem="887" direct_download="true"]PDF[/rokdownload]

Body mass and trophic level variations in relation to habitat disturbance in a set of mammal species

C. BATTISTI , G. FANELLI , F. CERFOLLI , G. AMORI , L. LUISELLI - [Abstract](#) - [rokdownload menuitem="955" downloaditem="888" direct_download="true"]PDF[/rokdownload]

New records of birds in stomach contents of marine apex predators from the North Atlantic Ocean and Mediterranean Sea

S. GARCÍA-BARCELONA, J. L. VARELA, I. P. DÍEZ-GARCÍA, M. PAULY-SALINAS, J. C. BÁEZ - [Abstract](#) - [rokdownload menuitem="956" downloaditem="889" direct_download="true"]PDF[/rokdownload]

Fish diversity and structure in the Banco stream (Banco national park, the Ivory Coast)

A. A. YAO, M. K. KONAN, A. OUATTARA, G. GOURENE - [Abstract](#) - [rokdownload menuitem="957" downloaditem="890" direct_download="true"]PDF[/rokdownload]

New locality records and morphological characterization of the invasive crab population *Percnon gibbesi*

(Decapoda: Grapsoidea) in the extreme west of the gulf of Annaba (Algeria)

A. A. MENAIL, M. RACHEDI, F. DERBAL - [Abstract](#) - [rokdownload menuitem="958" downloaditem="891" direct_download="true"]PDF[/rokdownload]

Reproductive biology of barracuda, *Sphyraena guachancho*, on Ivorian coasts (Eastern central Atlantic)

C. M. A. AKADJE, Y. N. AMON, K. N'DA, F. LE LOC'H - [Abstract](#) - [rokdownload menuitem="959" downloaditem="892" direct_download="true"]PDF[/rokdownload]

Insights into the ecology of *Cryptorchestia garbinii* on the shores of the urban lake Tegel

(Berlin, Germany)

L. FANINI, C. O. COLEMAN, J. K. LOWRY - [Abstract](#) - [rokdownload menuitem="960" downloaditem="893" direct_download="true"]PDF[/rokdownload]
